ICOLD: in Vietnam, for Sustainable Development

For the first time in the history of ICOLD, the 19th Annual Meeting of the International Commission on Large Dams (ICOLD), was held in Ho Chi Minh City, Vietnam, one of the most rapid economic growths of ICOLD member countries at the National Convention Center, in Hanoi, from May 27th to May 30th.

Over 800 delegates, leaders of national governments, representatives of international organizations, university officials, the private sector, and industry, met in Hanoi for the 19th Annual Meeting of ICOLD. The meeting was held in the National Convention Center, in Hanoi, from May 27th to May 30th. The meeting was held in the National Convention Center, in Hanoi, from May 27th to May 30th.

ICOLD is the only international organization of dam engineers and dam owners. It was founded in 1962 and has since then become the largest and most influential organization of its kind in the world.
