ICOLD Magazine Club: How to become a member

ICOLD Magazine Club is a new initiative of ICOLD to promote the magazine and to provide a platform for dam professionals to share their experiences and knowledge. The club is open to all dam professionals and is free of charge. To become a member, please contact the ICOLD Magazine Club at club@icold.org.

ICOLD News

ICOLD has recently published its 2013 Annual Report. The report provides a comprehensive overview of the organization's activities and achievements during the year. It also highlights the organization's commitment to sustainable development and its role in promoting dam safety and water resources management.

ICOLD President Interview

The ICOLD President, Michel de Vries, was interviewed about his vision for the organization and the challenges it faces. He discussed the importance of dam safety and the need for international cooperation in the field. He also highlighted the organization's efforts to promote sustainable development and water resources management.

ICOLD Activities

ICOLD has organized several activities during the year, including the 2013 Dam Safety Conference and the 2013 Dam Safety Summit. These activities have provided a platform for dam professionals to share their experiences and knowledge and to discuss the challenges they face. ICOLD has also organized several training courses and workshops to help dam professionals improve their skills and knowledge.
