

Hydrovision International, July 19-22, 2011, Sacramento (USA)

ONLINE REGISTRATION IS NOW AVAILABLE

WHY ATTEND?

HydroVision International will be the year's largest gathering of hydro professionals worldwide. Join more than 2,500 attendees and over 250 exhibiting companies from around the world for a week of informative hydropower-focused meetings, workshops, tours, an extensive program and exhibition.

HydroVision International will highlight perspectives on the role of hydropower, explore issues affecting hydro resources, and help participants develop a vision to meet challenges and ensure the future sustainability of hydro. This event will bring together a broad range of global hydro professionals with environmental, technical, social, and regulatory perspectives to:

- ▶ Gain a better understanding of current and future issues affecting hydro
- ▶ Share knowledge, expertise, and viewpoints toward effective solutions
- ▶ Build alliances and create synergy among various water resource stakeholders
- ▶ Identify ways to increase the value of hydro
- ▶ Promote technology development and business opportunities

EARN PROFESSIONAL DEVELOPMENT HOUR CREDITS

Attendees registered as Full Conference Delegates are eligible to receive 15 Professional Development Hours (PDH) credits.

No other event provides more opportunities to network with the experts and meet with the companies impacting the future of the industry.
